SermonIndex Videos Upload Partnership with TrueGod.tv - posted by sermonindex (), on: 2017/3/27 10:45

Saints,

We are excited that TrueGod.tv has agreed to accept all our content and we have supplied them with all the 5700+ videos that are on Youtube! This will see these videos shared with another audience and also ensure they are safely stored in a good Christian run site.

Currently they are encoding the messages and over the next week they will all be added. You can see the SermonIndex.net channel on TrueGod below:

SermonIndex.net on TrueGod.tv
