Pray as I do not know what to do as with my church they have made a secondary doctrine like the pre tribulation rapture a fundamental doctrine.

Pray as I want to leave my church and go somewhere else , pray for wisdom if God wants me somewhere else.

Pray as I have been going through a nightmare situation with my Dad having cancer, my brother going through a divorce and being attacked for being single and being an evangelist on the street

Pray that i will have the strength to fight back but as soon as churches make secondary doctrines fundamental such as the pre tribulation rapture I do not know what to do, I do not know what church to go to.

Pray as I was so wanting to be spiritually built up as I have being going through such a hard time and I am now going to think about finding a new church

Thanks for sharing Dominic, will pray for you regularly.

Remember to "Trust in the LORD with all your heart And do not lean on your own understanding. In all your ways acknowledge Him, And He will make your paths straight." (Proverbs 3:5,6)

Deltadom have you considered instead of going to a church maybe just getting together with some like minded friends once a week and spending some time in fellowship for a while? It sounds like you're going through a tough time and could use the break.

Deltadom,

Let them have it as a primary doctrine. As long as they aren't asking you to agree with it as a condition of fellowship, endure the difference.

Be patient. As time moves on and events unfold, one of these views (pre-trib/post-trib) is going to prove out (or something else entirely, but let's not go down THAT road).

If you have the benefit of understanding, I submit that you OWE it to your brothers and sisters who lack that understanding to patiently bear their lack as your burden.

If it is a secondary doctrine as you label it, it should be a secondary concern to the overarching teaching to love one another as Jesus loves us.

I am a post-trib believer too. It is EASY to find all sorts of flaws with pre-trib, but as a secondary doctrine it is HARMFUL to others to cut ourselves off from them over it at this point in time.

There may well come a day in soon enough time that separation will be necessary. But, if post-trib believers understand scripture correctly, pre-trib true believers will yield to the newly gained understanding of the truth. We should ALL pray for one another to be gentle and humble and receptive to the Holy Spirit. He will lead and guide us into all truth.

Dolfan I respectfully disagree. I understand the need for peace but how can you encourage him to stay among believers who have not only rejected truth but are pushing it and emphasizing it in such a way? Those believers are no longer people who are misinformed they are now running headlong into untruth.

Deltadom, have you approached them about this issue and shared your concerns? What was the reaction?

It is not important for you to attend a church so be picky. Otherwise I again recommend finding a few like minded believe

rs you can fellowship with in truth.

It was these two sermons that make me want to leave church  
Because I believe in the post trib rapture I am leaven

**Re: - posted by Sree (), on: 2017/5/17 13:55**

I agree with Tim (Dolfan) here. Only thing important for anyone to be part of a fellowship is like minded people who love Jesus and want to grow in likeness of him. Whether they are PreTrib or PostTrib, if they are not ready for his coming then they will be rejected. As long as there are few Vergins in the group with both Lamp and Oil, we should be good enough fellowshiping with them.

**Re: - posted by deltadom (), on: 2017/5/17 15:15**

Listen to the sermon you will understand I so want fellowship but calling those who do not believe prevtrib leaven to me this is not a dividing issue

Dominic, if you can't find a local church, can I recommend watching Times Square Church online?

**Re: - posted by deltadom (), on: 2017/5/20 5:17**

I used to listen to Times Square all the time when you are classed as leaven because you do not believe in the pre trib rapture, pray as it has been a bad week as I have been ill and resigned my job and then the mess with our church I so need spiritual stability

**Re: - posted by TakeUptheCross, on: 2017/5/20 6:39**

I suggest you take a break... just to withdraw yourself from other activities as much as possible and "be still". Go outside (if the weather permits it), somewhere in a wood or by a river and think, reflect, meditate upon God, pray, read the Bible.

You need both spiritual and emotional stability... and when nothing goes at it should just cry on His shoulder, pour out your heart before Him and He will understand and comfort like no other... "Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us." (Psalm 62:8)

**Re: - posted by deltadom (), on: 2017/5/24 16:53**

I actually have been doing that

I just need prayer for direction as losing both my church and job in one week !

Pray as I have been really struggling with having no church today as I went somewhere else but they do not go as deep into the word of God  
pray as I also quit my job because of abuse as a chef, I really need prayer at this time  
Pray as I feel a real mess

Hi Dominic (Deltadom):

Just remember that Christ is the one who gave us the church (Ephesians 4). It is not perfect on this side of glory, but we still need it. If you need a different church that suits the season that you have entered, that's fine, but do so in a spirit of humility.

I have heard too many people criticize the church, but those people are guilty of the same things. There are a lot of self-righteous hypocrites who don't go to church because they think that they are better than everyone else, whereas they are often just as bad or worse.

So, you may want to look for a good reformed church, where they don't teach those things that you complained about. That might be the place for you in this season of life.

May God strengthen you, comfort you, and guide you. May He use the body of Christ to minister to your soul.

Blessings,  
Renoncer
