It is good to fellowship with you all - posted by donlongworth (), on: 2017/7/7 21:42

Dear Brothers and Sisters,

My name is Don Longworth, I've been deeply blessed by SermonIndex's ministry over the years so I guess I'm a bit slow to actually sign up to forum! Sermonindex played an incalculable role in awaking my soul. It was through Sermon Index, that Leonard Ravenhill first ploughed my heart and left me weeping on the ground. Since then, men I never knew before I knew sermonindex have been used greatly in my life. Zac Poonen, Kieth Daniel, Paul Washer, Paris Reidhead...it goes on. I'm still a worm, but God by his mercy is not done with me.

I would also like to personally commend brother Greg and the incredible mountain of labor and spiritual discernment this ministry takes.

To all of you, I look forward to fellowshiping with all who are counting everything loss to know Christ.

-Don Longworth
