

## News and Current Events :: Syrian war is about seeds?

### Syrian war is about seeds? - posted by RogerB (), on: 2017/7/8 12:31

Sure looks like it. I would have never guessed it.

Short video from INL this morning.

Was on a prayer call earlier this morning where we prayed for that part of the world. The geopolitical dynamics of that region become more confusing each day. And in the end all we can say is that God is in control. Bless Jesus.

Bro Blaine

The Syrian war is about Muslims suppressing and killing other Muslims and being killed in return. Whatever group gains the upper hand will soon suppress and kill other Muslims and be killed in return.
