Pray as I have been so unwell recently and I have been so under spiritual attack
Pray as I desperatly need a good church to go to and pray as I have lost my job and have been seriously unwell.

Pray as my brother has gone through a divorce and dad has gone through cancer.

Pray that God can help me as my life is a mess and I so need spiritual stability!

Brother Dominic,

I will include you in my prayer...

I pray that God will provide you a church that will help you grow spiritually, and that God will provide you a daily bread...

I know it is very difficult to see your father going through pain because of cancer...

But trust in the Lord that eventually everything will be okay...

~ Psalm 34:19

Brother,

Prayed that God would link you with a strong local body of believers. What city again and state are you living in?
