

Scriptures and Doctrine :: The First Book of Adam and Eve**The First Book of Adam and Eve - posted by mguldner (), on: 2017/8/21 17:12**

I was curious if anyone has ever read the First Book of Adam and Eve. If so what are your thoughts on it? I have been reading it and while I know it's not canon scripture it is really interesting to see a take on what Adam and Eve might have gone through after they were kicked out of the garden.

The translation of it I'm reading had a character called "The Word" that when Adam and Eve despair or are in trouble comes and rescues them or encourages them sometimes literally back to life.

I want it to be clear I'm not taking every thing in this book literally or are holding it up next to scripture as 100% truth just thought it would be an interesting discussion.
