Excerpt:

"In the last video before his death, he said he hoped he leaves behind a legacy of love.

"As you consider my ministry, I hope it leaves a message of love, of peace, of truth, of caring for one another," he says. "Our God is a God of love."

May Nabeel's testimony count for eternity and reach far beyond his short 34 years in this life. And Lord, care for his wife and child and comfort them in their great loss. Thank you for saving Nabeel and thousands more who have already been set free from the bondage of Islam.

In Jesus Name,

L
