Hi All,
I have done this before but I want to wish this Great man a Happy Birthday.I have said this before also,God has kept Bill $y$ alive for a reason,in some way him being alive and present on the Earth is holding back something is the only way I ca $n$ describe it.
One of his wifes sayings that he has repeated is this:IF GOD DOESNT COME AND JUDGE THEN HE OWES SODOM AND GOMORAH AN APOLOGY!That sums it up really.
Happy Birthday Billy Loved by men and by God
