Just wanted to say hello and thanks for the site and support! It's awesome to know there are other people who are not only "Christian" but are followers of Christ! I want so much to see a new demonstration on Christianity today that my heart burns for it. Congrats on the site.

It's great that you found this site. Its sounds by the tone in your post that you are excited about the sermons of these men of God and also of the community of believers that are seeking after God's heart. I am looking forward to getting to know you better in the forums and in the live chat.

Yes! Welcome!

Hope you are blessed here, it has been a great encouragement to me and continues to be!

There are a lot of great hearts here.

Let us know if we can be of any help.

Mike

Welcome. :-) Hope you'll get to know us a lot better through fellowship (the forums and chatroom are pretty helpful in that area...hint, hint...;-))
