Good luck.

You are setting an impossible standard, namely finding a church that is perfect from your perspective. Ain't gonna happen.

I know I do not have very high standards ! I just want to discuss scriptures !

I think I have listened to every Justin Peters YouTube video he's published. I like Justin, because he exposes in a very humble way, always backing it up with scripture, not opinion. He's has one clip from Kenneth Copeland "I believe" that says, because we all come from God, we all are baby God's. These ministers IMO, have become bored with God's word, so they start inventing their own gospel, thank God for folks like Justin Peters. Justin may never get these prosperity "name it and claim it" people "I'm not even going to call them pastors" to repent and step down, but he might be able to stop some folks from joining their cult. Can we all say thank you to E. W. Kenyon, Kenneth Hagen and Oral Roberts for starting this Prosperity Gospel Circus.

Titus 1:9-16...Verse 11 just about says it all...

9 holding fast the faithful word which is in accordance with the teaching, so that he will be able both to exhort in sound doctrine and to refute those who contradict.

10 For there are many rebellious men, empty talkers and deceivers, especially those of the circumcision, who must be silenced because they are upsetting whole families, teaching things they should not teach for the sake of sordid gain.

12 One of themselves, a prophet of their own, said, "Cretans are always liars, evil beasts, lazy gluttons."

13 This testimony is true. For this reason reprove them severely so that they may be sound in the faith,

14 not paying attention to Jewish myths and commandments of men who turn away from the truth.

15 To the pure, all things are pure; but to those who are defiled and unbelieving, nothing is pure, but both their mind and their conscience are defiled.

16 They profess to know God, but by their deeds they deny Him, being detestable and disobedient and worthless for any good deed.
