South Korea needs a revival so badly. It's as bad or worse than the American Church right now.

Re: - posted by AbideinHim (), on: 2018/5/31 19:31

Although the church in South Korea is in need of revival just as the church in America is, there has been much prayer for North Korea from the saints in South Korea. Missionaries from South Korea have risked their lives venturing into North Korea. I know this because I recently was in a meeting with a Pastor from South Korea that shared with us.
