â€œDancing in the Stormsâ€ -- Song by Ashley Low:

Ashleyâ€™s Testimony:

This is a song God has given me to minister to many who are sick. I wrote this song when Lord Jesus download the whole song to me on the flight from Singapore to KL (Kuala Lumpur, Malaysia).

It was the time my faith was shaken when my husband had his 5th relapse of his cancer even though I witnessed the power of God that resurrected him from dead to alive in 2008 when he had his 4th relapse of cancer.

Without treatment for 1 year, his nose started bleeding non-stop. Doctors canâ€™t do anything anymore.

This was the journey of my faith believing and trusting God that this battle belongs to God. He will deliver Tony out of his adversity.

We continue trusting God sharing our testimony. Hallelujah! Our Lord reigns! He did it again! We serve an awesome God!

We continue to serve Him wholeheartedly.

I sang this song on Easter Sunday while we were sharing at Sungai Way Methodist Church. Our Lord Jesusâ€™ name is lifted up and glorified. He is exalted to the highest!

May this song minister to you when you hear it. This song has broken the chain on my sister who was a staunch Taoist.

The Lord has set her free at her brink of death in Melbourne Hospital on 25 Nov 2018 midnight when she received the song. Tony and I were sharing our testimony at FGB dinner at Corus Hotel.

God is good all the time. We truly serve an awesome God!

Ps. 18:1-3 â€™

And he said, "I love You, O LORD, my strength."

The LORD is my rock and my fortress and my deliverer, My God, my rock, in whom I take refuge;

My shield and the horn of my salvation, my stronghold.

I call upon the LORD, who is worthy to be praised,

And I am saved from my enemies.

Ps. 44:8 â€™

In God we have boasted all day long,

And we will give thanks to Your name forever. Selah.

MY COMMENT:

There is no value in Ashley's song in and of itself. It is the Word of Christ that it brings that is the Word of Life and the Power of God.

SCRIPTURE:

John 8:24 (ISV) ' unless you believe that I AM, you'll die in your sins.

Rom. 10:17 (NASB) ' So faith comes from hearing, and hearing by the word of Christ.

1 Cor. 1:24 ' Christ the power of God and the wisdom of God.

The doctor cut away a quarter of his brain. God gave him back his full brain, a medical impossibility.

(Tony Low is the husband of Ashley Low and has a background in business.)
