Sermonindex.com is awesome! Thank you! - posted by Revivalist__ (), on: 2005/7/10 16:29

Hello everyone. I thank God for discovering this website which is an awesome resource to learn from all the great preachers and revivalists of the past and present. I want to say a sincere "Thank you!" to those who made this available.

To introduce myself. . . My name is Nathan and I'm a follower of Christ, saved by grace through faith, and passionate about preaching His gospel. . .

Seven years ago, when I was 19, Christ saved me from a life of drugs, drinking, sexual immorality, and all kinds of philosophic lies that would have led me to hell. Now I just want to live to glorify Him by growing in holiness, serving His church, and preaching his message to the lost. . . .

My personal hero is Charles Finney and my prayer is that God might use me to preach and bring revival to my community of Fresno, CA, for the glory of God!

Hi Nathan,

Welcome to SI! I hope you continue to be blessed by the sermons on this site. My three favorites are Dave Wilkerson, Carter Conlon, and Zac Poonen.

Bless you brother. Yes revival is the main theme in starting this site and what is keeping it going. May God revive our hearts and also send an revival to our communities as we follow Him and allow Him to change us. If you have a chance check out the video interview of Leonard Ravenhill. Glad to have you on the site brother.
