**Sex Education of young children exposing them to hypersexuality and perversion as normal - posted by TrueWitness,**

Teaching children from pre-school and up about gender and sexual orientation and how they can choose any combination and it's perfectly fine. Also, parents cannot opt-out their children from receiving this indoctrination.

This makes me so furious - it is stupid, dumb at all levels and then there are the elite that promote it and religious folks are right behind it...Lord, have mercy!

Having gotten my rant out of the way, how long - considering the natural course of life, nature - do you think this can go on until it self-destructs?
