Remembering 9-11  
Sep 11, 2019

Today I'd like you to pray with me as we remember the tragedy of September 11th when it hit here in New York City and how it affected our entire country. Pray with me that there would never be an attack like that against our nation again.

Father God, in Jesus name, Lord we lift up not only New York City, but all the major cities of this country, we ask you Lord to keep our borders safe and our cities safe. We ask, Lord, that You would thwart the plans of any deviant who wants to come and cause harm in our society, cause panic or fear in our streets, and we ask for healing of every heart that has fear because of the past events in our society. God almighty, give us confidence that can only come from Your presence being lived out inside of our minds and our lives.

Remember, it's time to pray!
