The Sifting Process by David Wilkerson

Topic: Sifting

Scripture(s): Luke 22:28-32

Description: Out of Luke 22: 28-32, Wilkerson preaches about the time when we will go through a sifting process. A time where God will allow satan to work against us but there is always a reason and in the end the result can be dynamic for those who endure.

Thank you for adding the description brother. I will try to add that in next time for sure. This message came at such a needed time for my life. I have always been blessed by Wilkerson's ministry but many months ago, this was a true word from the Lord for me!
