Is there a link to download the entire KJV Audio Bible (66) somewhere on Sermonindex or elsewhere with this narrator?

And/or can anyone tell me who the narrator is for the kjv audio bible found on this website?

Thank you.

brother,

here is the New Testament:

Audio Bible NT KJV

I would have to search and try and find who the narrator is to see if we can add the old testament.

I'm pretty sure the narrator is Steven B. Stevens.
