Beginning denotes time.  
Yet there is a beginning  
That has no beginning,  
Nor time to mark it.

Before time began,  
In eternity past,  
When time was notâ€™  
Our life journey was planned.

The year behind us  
Was all in Godâ€™s design  
All good and bad  
To bless us with His blessing.

So now as we step  
Into this new year in time  
Let us remember  
Godâ€™s presence to guide us.

For some it is a fresh startâ€™  
Forgetting the dark and gloomy days,  
To renounce negative thoughts  
Of guilt, failure and sin.  
Take the hand of the invisible Oneâ€™  
The God who cares and loves.  
Shake off all that holds you down;  
Look up with hope, optimism and confidence.

You are blessed.
