Minnesota girl here who has been in FL now for almost 18 yrs (and is now considering moving back,) is looking forward to meeting all you awesome, bible-believing Christians and learning from you and most-importantly from the Holy Spirit, as long as I can before the rapture takes us all away to the biggest wedding supper ever thrown!

I am 54, married with 3 adult sons ages 29, 24, and 22. Been saved since the age of 7 and have never stopped learning God's Word since then!

Blessings to all!
Di

Welcome Sister,

This place has the wisdom of the ages with so many archived Sermons and testimonies of the saints. You can even hear the voice of William Booth, the founder of the Salvation Army who recorded His voice for posterity on the first Edison recordings.

I learned more here on SermonIndex than I knew about in the first 30 years of my life as a Christian. Greg and others have preserved a treasure trove of the Kingdom of heaven here on earth for us.

The Holy Spirit will lead you to the right message for exactly what He knows you need. May the Lord give you wisdom for living!
Enjoy!

And I thank the Lord for Greg and all he has endured for the sake of Christ with the preservation of this treasure. Thank You, dear Jesus!

And the forum assures us of continued fellowship of brothers and sisters all over the globe!

Sister Leslie
