

**Devotional Thoughts :: Psalm 91**

**Psalm 91 - posted by AbideinHim (), on: 2020/3/22 7:54**

Psalm 91 is very precious to Christians during this time of great shaking that has come upon all the earth.

Those that are the Lord's have nothing to fear for the Lord has promised us both protection and deliverance from every plague and disease.

Jesus Christ is the rock of our salvation. He is our hiding place, and every house that is built on Him, who is the sure foundation, will make it through this storm, because the shaking is designed to deliver us from everything that has become an idol in our lives, so that our faith and hope would be in Him, who is the way, the truth, and the life.
