Thank you, staff.

Regarding COVID-19, there were 7 new cases in Australia yesterday. Total confirmed cases 6,654. Strict lockdown restrictions not yet eased.

Blessings

Hi staff,

Glad you love Australia. I live in Sydney.

There was a surge in the number of new COVID-19 cases in Australia at the end of March. The curve has flattened. Hope there will be no second wave.

Best wishes to you where you live too.

Deut. 33:27 -

The eternal God is a refuge,

And underneath are the everlasting arms.

Blessings
