Amen, the phrase "Fear Not" appears MANY times in the New Testament. Fear is the opposite of faith. That is a great verse to memorize and repeat to ourselves during this time.

brother Edgar Reich said recently: "Let us move from the house of fear to the house of faith."

Amen. It's Indeed a verse that needs memorization. It reminds us of the measure of love we have in God. Thank you for sharing. I just remembered the verse that tell us that God SO loved the world. We unconsciously skip the "So". But it's good to be reminded that we are not just loved with a kind of reluctance, but with good pleasure. Blessings
