Hey brothers and sisters, I'm just asking for prayer for some spiritual attacks from the enemy as of late. The enemy has been able to gain access to touch my body and mind. I know the Lord could be using this for a purpose. It has been very hard to function because of this at work, church at home everywhere I go. Yours prayers our deeply appreciated again if you could.

Isaiah 41:10

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness."

This is what God is doing in you and for you now!

Thank you for your prayers and encouragement. In 2012 I had some really terrible health problems that the Lord brought me through. I found out that a lot of was demonic bondage from the enemy. I was doing so much better the past few years and been faithfully attending church and serving the Lord. But, just recently after the pandemic started I began to severely get attacked by the enemy I believe and my health has got really bad. I'm not sure what I am experiencing is 100 percent a spiritual thing or if it is from anxiety or something neurological. But, I do know I have experienced what I think is an evil presence coming upon me. I have prayed and tried to stand on the truth but this presence keeps coming back to attack my body and my mind. Could you please pray for discernment and healing. I'm so weak right now.

I just thought I would add that with you being hyper sensitive with anxiety the feelings of the demonic are probably just a n anxious side effect and not anything demonic.

I've had clinical anxiety for fifteen years. I can't wear certain types of clothing as the anxiety causes sensitivity to fabrics. And i get rashes on my skin.

Anxiety causes other things. Inflammation in the body, etc.

Don't feel overly guilty and pressurize yourself.

I'm also hyper sensitive to all of the feelings related to anxiety. Believing some of them are spiritual when later I realized they weren't.

Hey everyone, I am in real need of prayers. Been getting attacked really bad by evil spirits as of late. I am not 100 percent why this is happening but I'm having a real hard time with this. Thanks John

brother,

praying for you John, please take heart all the enemy can do against us is harass for only a small period of time. He has lost the battle, we must cling to the Lord. He is the Victor over sin, death, hell, and all evil hosts. Cling to Him today.

Psalm 34:7

The angel of the Lord encamps around those who fear Him,  
And rescues them.

Psalm 121:7

The Lord will protect you from all evil;  
He will keep your soul.

Proverbs 18:10

The name of the Lord is a strong tower;  
The righteous runs into it and is safe.

Psalm 61:3

For You have been a refuge for me,  
A tower of strength against the enemy.

Psalm 18:2

The Lord is my rock and my fortress and my deliverer,  
My God, my rock, in whom I take refuge;  
My shield and the horn of my salvation, my stronghold.

John 16:33

Hey guys, I am in desperate need of your prayers. Greg thank you for your prayers and encouragement from before. I over the last year have struggled with lust very bad where for the last 9 years The Lord had given me the grace to overcome temptations and thoughts that came my way. But over the last year I have been overcome extremely bad were I have been giving into the thoughts and have given the enemy a foothold so much I have been getting physically attacked by a presence again that it weakened my body. Today on the car ride with my wife I knew they attack me while driving and so I was resisting them in my mind in the name of Jesus and at first I had peace and strength. Then before we got to her momâ€™s the attack from the enemy got really bad. I learned in the past to not try to rebuke the enemy because I would get attacked bad but I fall back into doing that all the time because it brings a peace and security for a time. Sometimes it doesnâ€™t attack me back, but because Iâ€™m in bondage to lust it seems to have power to do it. My problem is I have been actively trying to stop falling into temptation and I might go a few weeks doing very well and then I fall again. Just so you know also, one of my biggest struggles is with a temptation at church with a woman there. I try to avoid her completely but then if I get a glimpse at her the devil torments me all week with images. I have let them get to my heart and I am just powerless to overcome it completely. I know the Lord is able and I have been seeking and crying out to Him. I feel like I have to avoid church because of this but my wife is growing so much there. Please again I know for years I have come on here at times very unstable in faith, but I have grown a lot because of all your prayers, but I come again in desperate need and not able to carry this burden right now. John
