Dear brother,

May the Lord bless you and strengthen your mortal body. Drink plenty of fluids and find time to quietly pray before the Lord and just listen to worship music setting your heart on the Lord.

We cannot continue in life with all pressures without giving our cares and entire being to the Lord.

Hi Greg

I sense such a sweet and caring pastoral heart in your post, as well as the reply to Gentleâ€™s post.

Really blessed by it.

Father,  
You said through your Son Jesus that whatever we bind on earth will be bound in heaven and whatever we loose on earth will be loosed in heaven. So, as a believer in Christ I ask that you unbind this terrible head pressure in Dom and that you loose a release of healing in his head. Take away the pressure and give him relief in the name of Jesus.  
And Lord, continue to give Dom wisdom and discernment as-to what is going on in the heavenlies over Hempstead as he abides in you there. Thank you for your servant Dom. Strengthen him for the days ahead.  
Sis Les
