The Lord Is In The Whirlwind And The Storm As Seen In The Church

Richmond, VA

November 2, 2002

Revelation 19:3-8 / Revelation 10:1-7 / Zechariah 4:1-10 / Nahum 1:3

Lance again talks about times of trouble and uncertainty, this time from the perspective of the Church. A couple points stood out to this listener:

The Bride of Christ, a.k.a. the Church, is made ready in the whirlwind.

Every move of the Lord has its "evil day" when things look like they have been destroyed and have come to an end.

Eternal material for eternal Glory is produced in an imperfect Church.
