Please be praying for the Return prayer walk this Saturday, Sept 26 on the Washington DC mall, especially in light of the newly kindled protests and rioting after the Breonna Taylor ruling. This is truly spiritual war.

Hello sister

I was so so encouraged to see so many people at the Return on this past weekend in WaShington DC.. God is moving  
God is humbling those who are truly seeking His face. May it spread in JESUS name. May there be vicarious repentance across the world in JESUS name.

in Christ
