When your brother returns you yourself must turn away from selfish and fleshy fears that have robbed others of seeing Christ.

How old is your brother Dominic?
Does he take drugs or is he into that lifestyle?

What I'm trying to get at is maybe there are underlying conditions we need to be praying for also.

God bless you,
Lisa

Re: - posted by deltadom (), on: 2020/10/11 7:32

He is 38 , he has a situation with him and his wife and his children
He does not take drugs

He has taken off by foot and I know he has a coat , he has not got a phone with him

Last time he got almost to the coast by foot as we live near london

There are so many underlying issues that need prayer

I need prayer that God would break through , the problem is that even if he comes back there is still the underlying problems that he may go off again

He has four children and a young child that it 3 and 3 other children

Pray for him and his relationship with Lydia

Thankyou for you're prayers and concern

Dom

I am just praying that he comes back as I would not know where to search

I do think of psalm 139

Re: - posted by deltadom (), on: 2020/10/11 17:27

We have found him but he still needs prayer to get back to work and to a normal life and his relationship with lydia and the children

Thankyou for your prayers
