Pray for Alison. - posted by enid, on: 2020/11/27 16:13

I joined Sermon Index in 2006. I have never sent a prayer request in, until now.

Her name is Alison. She is a friend of my daughter and she has cancer. She was originally told she had 3 years to live. then it was 5-6 weeks. Now it is two to three weeks. The change in the time is due to a misdiagnosis. When she had a biopsy, then she was told it was two to three weeks.

This really hurts. Especially for my daughter. And no, Alison is not a Christian.

I just ask for those who read this, to pray for her.

Thank you.

Enid

I have prayed for Alison and will continue to do so; let us know how she gets on.

I just want you to know that Alison has died. She was 50. She leaves behind two sons.

Thanks for praying for her Colin, and thanks to everyone who prayed.

Take care and God bless.

I prayed though I didn't comment. I'm so sorry for those close to her. It's also so hard for those who prayed for her salvation not knowing if she ever accepted the Lord. I had that situation with my own mom. May God comfort those who are grieving.
