I recently listened to a teaching by a very humble man of God that knows the Lord in a deep and intimate way. Much of the teaching was on repentance.

This brother related a story about being in Leonard Ravenhill's home as a young man. Brother Ravenhill invited him into his prayer closet, and there they remained for over 4 hours. Brother Tim testified that the manifested presence of God was there in a way that he had only experienced when he was caught up in an encounter of the glory of God.

brother,

can you share a link to that teaching and what time in the teaching this story was recounted?

Brother Greg,

The teaching by Timothy Bence was sent to me by a friend of mine on Facebook. Go to the 32 minute mark of the teaching where he talks about Leonard Ravenhill.

Timothy Bence also has teachings on You Tube.
