Duplicate Sermon - William MacDonald - posted by PaulAnthony (), on: 2021/1/17 4:13

The Local Church 3 and The Local Church 4 are the same.

So I don't know if '4' is missing, or whether '5' should really be re-numbered '4'

I also note that these sermons have the audio badly out of sync with the video, by up to 6 seconds towards the end.

dear brother,

thank you for reporting this, I will look into it and try and rectify.
