

**Welcome & Intro :: Hello everyone!**

**Hello everyone! - posted by irinaiva, on: 2021/7/22 0:11**

Hello brothers and sisters, I'm Ivanova from Panamá. I came to know the Lord in 2017. So, I'm mostly new in my faith and learning more everyday about God. I discovered the site while searching for a certain sermon transcript (I sometimes understand english better when written). Some of my prayers right now are: to prepare myself for Jesus return, to overcome anger and fear in my life and to see my family come to Christ. Thanks for your prayers! God has been truly gracious to me and I pray my love for God will grow in faith, faithfulness and strenght.
