URGENT CALL FROM CHRISTIANS IN AFGHANISTAN â€¢. PLEASE PRAY AND INTERCEDE FOR USâ€¢ THE TALIBAN IS DOING GENOCIDE ON CHRISTIANS!!!â€¢™

Fr Sam Hoffman

Urgent prayer!

Few areas to focus on prayer to pray for Afg.

1) For believers. Focus on all deliverance in the bible from armies in the battlefield, some that came against Israel, Joshua's battles, King Jehoshaphat, Hezekiah,..Esther, they sought the Lord wholeheartedly for His divine intervention. Pray for believers to keep their eyes on God and not to lose sight of God in their pain and fear.

1) The urgency of the believers who will face annihilation by Talibans: Esther's call for believers *3days fast and pray* in the critical time. Esther attitude, appeal to the highest order, our King, "if I perish, I perish that the King might stretch out His sceptre" and intervene in Afg and save the believers/city.

Joshua 3:5, "...sanctify yourself for tomorrow the Lord will do wonders among you".

2) Redirecting focus of believers, "...wrestle not against flesh and blood", is the powers of darkness blinding every Taliban to do the bidding of enemy to do evil, death and atrocities. Sanctify yourselves,...believers to release forgiveness in their hearts against Taliban no matter how difficult as our Lord forgives us. Justice is paid on the cross.

3) Biden/nations head of states, as God gave the king no rest and to reverse and to do what is right. The Lord will haunt and give Biden/Heads of state no rest till he/ they change their action to help the nation against termination of God's people.
