Female Pietyâ€™The Young Woman's Guide through Life to Immortality by John Angell James, (1785â€™1859)

Introduction

Woman was the finishing grace of the creation. Woman was the completeness of man's bliss in Paradise. Woman was the cause of sin and death to our world. The world was redeemed by the seed of the woman. Woman is the mother of the human race; our companion, counselor, and comforter in the pilgrimage of life; or our tempter, scourge, and destroyer. Our sweetest cup of earthly happiness, or our bitterest draught of sorrow, is mixed and administered by her hand. She not only renders smooth or rough our path to the grave, but helps or hinders our progress to immortality. In heaven we shall all bless God for her aid in assisting us to reach that blissful state; or amid the torments of unutterable woe in another region, we shall deplore the fatality of her influence!
