Matthew 5:6

Blessed are those who hunger and thirst for righteousness, For they shall be filled.

I don't know whether this would be a prayer request.

As someone who has studied multiple translations and read commentaries, been to Israel.

Sometimes we are stale and pray that we can go to another level when reading the scriptures and listening to them

With me I can name the rough time period when the book was written and even know the geography and even from a theological standpoint

Pray that I can go deeper into Gods word

As I used to work in the Christian bookshop and had access to the Christian commentaries and would read through them like a novel.

I so hunger for a deeper work of the holy spirit as I feel a billion miles from God.

As I hunger for a deeper understanding of god and him.

I battle with concentration and distractions

yet I have a deeper hunger for jesus and his word

Dominic,

What a great desire !!

I will pray for you,..

Lord, you know of this great desire that you have put into my heart, for you to stir and awaken the people for you ,.. more of you, more of righteousness, and here is such a one,.. Thank you Lord !!

Now Lord, please give Dominic of your great mercy, and give much Grace to him as he hungers for you, for that too is the desire of your heart.

And O™Lord, we know that you CANNOT LIE, and you promised that if we hunger and thirst for you, you will fill us. So Lord, fill this brother w/ your very self,..surround him w/your presence,..your love.....your truth.

We desire that you will have your Way In Dominic™s life, to the full and overflowing.... for it is in your Name we have prayed.

Thank you for hearing the cry of this heart O™Lord.

Brother, it is hunger and thirst for a deeper relationship with God, to know Him intimately that the Lord will respond to. Reading every spiritual book that was ever written will not ever satisfy that hunger, but coming to a living union with the Lord Jesus Christ will meet our heart's desire.

Thanks Elizabet :)

I am still hungry and thirsty after the holy spirit and a deeper understanding of the bible as I always seem to run into a block
