The most damnable of all things is not only to believe a false gospel but to propagate it as if itâ€™s the true gospel. We need to get to a place where we are willing to pronounce a curse on those who distort and corrupt the gospel. - John MacArthur

The true gospel is the power of God for the salvation of everyone who believes by which he means that salvation is not achieved by manâ€™s efforts, but by the grace of God through the gift of faith those who are saved by the power of God will always show the evidence of salvation by a changed life.
