

Scriptures and Doctrine :: Are You Walking in the Spirit?

Are You Walking in the Spirit? - posted by yblek (), on: 2005/7/25 20:19

I would like to discuss this often overlooked aspect of the Christian walk and how to accomplish this. Paul gives us the answers to how to accomplish this. So many Christians are trying to walk in their own strength instead of the Holy Spirit's. If you would like to comment or know more about this, email me at yblek@yahoo.com and comment here on this forum.

God Bless
