Thank you for sharing this. It has been very convicting.

It is indeed very good message. However, I wonder how many of the preachers featured here have ever cast out a demon out of anyone, let alone a demon that only goes out by prayer and fasting.

Jesus said:

But if I cast out demons with the finger of God, surely the kingdom of God has come upon you.

Luke 11:20 NKJV

Why are we seeing so little of this today? Surely it is not because demons came out of fashion in the 21st century. They are more active then ever before in this day and age.

Not sure why Tim calls his message 'The Signs of the Times'

Here is what Jesus said to the church in Ephesus

Rev2v3 You have patiently suffered for me without quitting.

4â€œBut I have this complaint against you. You donâ€™t love me or each other as you did at first! 5Look how far you have fallen! Turn back to me and do the works you did at first. If you donâ€™t repent, I will come and remove your lampstand and from its place among the churches. (NLT)

Turn back to me and repent...or else, I will come and remove your lampstand

"and this church, with the other churches addressed in these letters, was ruined and overthrown by heresies and divisions from within, and by the arms of the Saracens from without. So that Mohammedanism prevails and prospers in all those countries which were once the glory of Christendom, their churches being turned into mosques, and their worship into superstitions..." (from Benson's Commentary)
