Census 2021 in charts: Christianity now minority religion in England and Wales - posted by deltadom (), on: 2022/12/3 1

Christianity is a minority in the UK ,they do everything for the Muslim majorities
I wish I had children with the depopulation agenda to fill up the churches in the UK.
It is so sad to see a place of so many revivals deserted of Christians
Atheism is only a half way house to paganism
Closed Christian bookshops due to word of faith and apostasy in the church
