Pastor Jack Hayford, the founding pastor of The Church on the Way in Van Nuys, California, died Jan. 8, 2023, at age 88. He served as chancellor of The King's University in Southlake, Texas, which he founded in 1997, and was president of the International Church of the Foursquare Gospel from 2004-2009.

He also wrote over 50 books and composed more than 500 hymns and choruses, including the internationally known and widely recorded "Majesty." But he was probably best known as "Pastor Jack," serving The Church on the Way for over three decades.

Born on June 25, 1934, the infant Hayford was gripped by a life-threatening illness and miraculously healed through the prayers of friends and family. Later, he was attacked by polio, and church elders anointed him and prayed for his healing. God granted another miracle.

A real man of God. I saw him minister a couple of times at a conference in Washington, D.C. One of his sessions was about worship and it might be the best teaching I have ever heard. He was a sincere, humble man who didn't seek fame. God bless him and his family.

Thank you Greg for making Jack Hayford's teachings available on Sermon Index.

Jack Hayford had a way of speaking the truth in love, and I don't know of any errors or excesses in his teachings. He was well respected in Charismatic as well as non Charismatic circles.
