

## SermonIndex Announcements :: question

**question - posted by Saik0 (), on: 2003/6/9 12:35**

does this site contain all the sermons on ChristiansUnite?

ChristiansUnite.com has partnered with SermonIndex to offer most of the sermons on SermonIndex on their site. So there are more sermons on this site and there is the NT Audio Bible also. ChristiansUnite is essentially just linking to some files with my permission. So you can just download from this site then unless you like their layout better hehe!
