There is now a website to help spread awareness of this dear families situation.

I am not at liberty to go into any more details here, but they are precious friends that I met years ago during their time in Minnesota.

Hebrews 13:3

Remember those who are in prison, as though in prison with them, and those who are mistreated, since you also are in the body.

As suggested, I emailed my government representatives to raise awareness of Ryan's plight, and surprisingly one of our constituents got back to me personally.

This whole situation is stretching my faith so much because on the one hand, we trust and know deep down that God is at work in the midst of this detainment. Yet my heart truly aches for Ryan and his family.

It's all so palpable right now as the detainment drags on.

Thank you to anyone of the household of faith who is likewise sharing in this pain.
