Sunami at Christmas... massive earthquakes around the world... we even had an earthquake here in North Carolina last week... scorching heat in Europe... hundreds dead in Mississippi and Louisiana from the hurricane... The entire city of New Orleans is under water...

I don't believe it will be long, folks.

*Luke 21:10-12 Then said he unto them, Nation shall rise against nation, and kingdom against kingdom: **And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.** But before all these, they shall lay their hands on you, and persecute you, delivering you up to the synagogues, and into prisons, being brought before kings and rulers for my name's sake.*

You are right Krispy, the time is near. My heart breaks for all that are hurt though. Let's ask God for His mercy,

God bless you'
