[Image: <https://www.sermonindex.net/images/owenbig.jpg>] Into this situation in 1974 came a new minister, J. Glyn Owen. A Welshman who had ministered in Ireland and England, his preaching ministry attracted many young people who had come to Christ in the counter-culture Jesus Movement, and who were longing for solid biblical teaching. The multiculturalism of early Knox once again began to be very much in evidence. Owen was greatly appreciated as a pastoral counselor, while his loyal associate George Lowe went graciously in and out among the congregation, and in a special long-range way became pastor to the missionaries. Upon Owen's retirement in the mid-1980s there was an extended vacancy, after which Mariano Di Gangi was called.
