Thank you for that link Paula. I was blessed by the message As in the Days of Noah. Your pastor speaks what's on my heart.

God bless you,

Hans Prang

Welcome to the site sister.

I do recommend you try listening to some of the audio messages found on this site particularly by authors such as: A.W. Tozer, Leonard Ravenhill, T. Austin Sparks, etc. There also is one message by Paris Reidhead that is a must hear if you haven't yet: (<https://www.sermonindex.net/modules/mydownloads/visit.php?lid282>) Ten Shekels and a Shirt

Great to have you on this site and I am looking further to your participating in the discussions and sharing how the audio sermons are ministering to you. Let me know if you have any questions.

I've been listening to Tozer, and Dwight Moody. Am in the middle of a book on Moody's life and sermons. Thanks for the welcome I guess I do have a couple of questions. I'm not a computer whiz, what is URL and IMG, also I don't have a clue what some of the abbreviations on the personal info page mean?

Just so you know for future reference, when you want to reply to a message simply click on the "reply" button to the post where you want to reply to.

url is if you want to make a website link. and image is for an image.
