I heard a song a while back and tried to google it so that I could download the song. My problem is that I only know part of the song. Does anyone know the title and artist?

lyrics:

walking in the light

holiness is right

i'm not doubtin' 'bout the way

Thanks,

Kendal

Bumping this back to the top, to see if I can get a response one more time.

Lyrics:

I'm not doubting 'bout the way

I'm not doubting 'bout the way

Walking in the light

Holiness is right

I'm not doubting 'bout the way!

Thanks,

Kendal
