Pastor David and his son Gary were in Birmingham Alabama last August and many of the brethren here on SI have listened to those sermons. The videos are now available on Pastor David's website: [http://www.davidwilkerson.org/sermons/index.php#video\\_sermons](http://www.davidwilkerson.org/sermons/index.php#video_sermons).

Enjoy and be blessed! The only one he did that is not available was the last one on the Prodigal son and the audio version is available there, as well as on this website.

Ah, this is great, those are some great videos and worth the watch. What a blessing it is to see these men of God sharing the word of God to this generation.
