Hello Everyone,

My name is Wesley John Haakenson. A native born Californian. I thank God for the priceless treasures on this web site. Finally, some God fearing people who walk in the Spirit and not after the flesh. Please keep me in prayer. Thank you :-)

Wesley John! I am glad you found this website. Do take some time and listen to some of these old vintage audio sermons from past speakers. I recommend you listen to Leonard Ravenhill and A.W. Tozer to start, the featured sermons on the front page are great starters. But I would say listen to this sermon first:

Ten Shekels and a Shirt by Paris Reidhead

Looking forward to your further participation on the site, if you are blessed by the resources tell others about this ministry .
