ern baxter and bob mumford - posted by staituk, on: 2005/11/14 20:51

hi, does anyone have any teaching by ern baxter or bob mumford. and are you willing to share it on the net. or do you know where i can download some.

thanks

I had access to 100's of bob mumford tapes but at the time I did not feel the leading of God to get them onto the site. I forget where that resource is but if you do a search for "bob mumford" on google and search hard enough you should be able to find a tape library with his resources.
