I know there are a few other people here from Michigan. I just noticed a new Calvary Church listed in Macomb. Has anyone attended it yet?

Brother Daniel,

Is this a "calvary chapel" church? Do you live in the michigan area?

Greetings Greg,

Great to see you still here, its been too long since I've been around! I pray that seminary school is going well for you.

Yes, I found out about that church from the calvary chapel website-search feature. It was a delightful find too! Yes, I'm still living in michigan.
