Hi Greg...!

What a wonderful addition! I really like their version of *Be Thou My Vision*. How lovely!

:-)

- EDIT -

By the way, are some of these songs original? I have not heard some of them before -- and they are very nice!

yes its a home church group in British Columbia, Canada that released these for free distribution. ;-)

Thanks to Greg and the brothers from Canada - what a blessing!!! All the song are excellent, but I love this one especially.

(<https://www.sermonindex.net/modules/mydownloads/visit.php?lid9196>) Let Me See Thy Face And Die! (Words by John Wesley)

Leave it to John Wesley to write a song like this. No wonder he is one of my all time favorites!

I have added another 30 songs by these dear brothers. This one really blessed me:

I Have Decided To Follow Jesus (Live)

there are 2 versions of the same song but I like this live one better. Praise God.

Very nice Greg thanks for sharing those. How nice it is to meet with The Church in the way that Christ intends it to be.

I Have Decided To Follow Jesus

Very beautiful! This is one of my favorite hymns! I tried finding this song before, but couldn't find it anymore! You sure have a knack at obtaining hard to find stuff. Thanks for making this available to everyone.

You know, recently I saw a story about home churches on the world news. I don't remember when or which station. It was an interesting story that I thought you would be interested in. I was surprised that a story like that made it on the news as this particular station is known for being very liberal. Let me see if I can find a link... no. What a bummer! It doesn't appear that they have any video archives.

Anyway, thanks for posting up this new worship section. God is blessing you with some really great ideas.

I've downloaded several and I love them all! They are great!

One of my favorites is "Fire of God"

The first line is this:

Help me to understand Your pain
When I conform to this world and blaspheme Your Holy Name.

Wow.. Think about that.

That's great so many people are being blessed by these recordings! I was able to talk to one of the brothers from the fellowship in BC. They have a great heart and it really shows in their singing.

Actually that is only the first line in the live version. In the other it's in the middle.
